GARDEN DISTRICT FARMERS MARKET OPENS SATURDAY

Grand opening to follow on Saturday, July 7

Milwaukee, WI – Milwaukee County Supervisor Jason Haas is pleased to welcome Milwaukee County residents to the Garden District Farmers Market as it starts its second season this weekend. While the market will be starting up this weekend, the market's official grand opening is scheduled for July 7 at 1:00 P.M.

The Garden District Farmers Market, located at S. 6th Street and W. Norwich Avenue south of the Garden District Community Garden on Howard Avenue, will be open every Saturday through October 20.

"The Garden District Farmers Market is a great way to bring neighbors together and strengthen community spirit," Supervisor Haas said. "On top of that, we can enjoy some excellent food, produce, plants and flowers while supporting local providers."

"This project is a collaboration between the Garden District Neighborhood Association, Milwaukee Alderman Terry Witkowski, and Milwaukee County, which owns the land where the market operates. I am glad to have put this land to good use for the community."
